Leigh, thanks for this. Keep us posted on the expected publish date, we will update the Pavillion site concurrent with publication. Let us know if you have any concerns with that approach...

Hi Richard,

I also left you a phone message with this information. Fred Hauchman wanted me to send you this FRN notice and let you know that it went over to the FR Office this morning. They have not given us a date of publication yet, they said after they review it they will have a publish date for us. Fred has tried to contact Ayn, but she was not available. Also, Fred mentioned that you may want to be in contact with Carolyn Hubbard who is filling in for Dayna Gibbons on updating website information.

Please let Fred or I know if you have any questions.

Thank you,

Leigh
